

SOCIETY FOR THE ADVANCEMENT OF BLOOD MANAGEMENT®

SABM's Patient Blood Management Certificate Course and Exam

SABM's 2016 Patient Blood Management Certificate Course

Recognized as the leader in patient blood management (PBM), the Society for the Advancement of Blood Management (SABM) is again offering the Patient Blood Management Certificate Course at its Annual Meeting to be held in Grand Rapids, Michigan, September 29 - October 1. Using the *SABM Administrative and Clinical Standards for PBM Programs* as a framework, this course provides participants with patient-centered PBM concepts, best practice applications, and direction in program growth and development. Developed by SABM members who are recognized clinical experts in the field of Patient Blood Management, the curriculum will be of great value to any nurse, physician, perfusionist, advocate or administrator working in the field of PBM.

SABM Patient Blood Management Certificate Course

Thursday, September 29, 7:00 am - 3:00 pm

- Introduction
- Leadership, Teamwork and Change Management
- Law, Ethics and Patient Rights
- Physiology of Anemia and Oxygen Delivery
- Pre-op Evaluation and Preparation of the Surgical Patient
- Perioperative PBM
- The Clotting Cascade
- Blood Administration and Transfusion Safety
- Data Collection for Evaluation of Transfusion Practice
- Profound Anemia When Blood is Not an Option
